String backpacks

Graphing calculators or  
monetary donations for  
purchase

**Donations can be dropped off  
in the church office until  
August 8.**

Dear Friends,

We are asking, once again, for your help. Backpacks are needed by Garden Spot and Kanner Center students. Please see the list above for the items that we will be collecting this year, as the list has changed somewhat. We are looking to donate items to St. Stephen's UCC for their carnival, to Kanner Center for their students and also to Garden Spot High School for the older students. 25% of the student population of Garden Spot receives free or reduced lunches. So the need is great. We are asking that you provide whatever you are comfortable with and we will sort the items as needed. Thank you in advance for your participation. Questions can be directed to Leanne Smith or Erma Mohler.
